- Webinars
- Podcasts

EURO-NMD Academy

EURO-NMD has launched a Moodle-based LMS educational platform:
Welcome to the EURO-NMD Academy

<https://euronmd.lilicampus.com/>

Enrol in the Mitochondrial Disorders Category (6 courses)

Complete the formulary to enrol in the courses inside the Mitochondrial Disorders category.

You will receive your enrolment details soon, otherwise contact us at educational@ern-euro-nmd.eu, please

EURO-NMD Academy

Courses

- The different courses in one module are mandatory to obtain the certificate
- Each course end with a questionnaire with 4 multiple choice questions with a threshold of 75% for approval
- We are applying for medical education credits through UEMS

WEBINARS

- Improved educational strategy
 - Thematic groups of webinars
 - Reuse of webinars to produce PODCASTS
 - Reuse webinars as a basis for future courses for the EURO-NMD Academy
- Greater implication of all working groups
- Collaboration with WP 4 (CPMS) - *Grand rounds (4 under preparation)*
- Collaboration with the “Neuro-ERNs” - *Inter ERN gene therapy WG*

Podcasts in Ukrainian

- ▶ Adaptation of some webinars to become podcasts for the Ukrainian community
- ▶ Translation

Cardiac management - Karim Wahbi

Breathing and ventilation - Maxwell Damien

Веб-сторінка українською мовою для медичних працівників

📅 22 November 2023

European Reference Network for Rare Neuromuscular Diseases EURO-NMD пропонує навчальні матеріали для медичних працівників.

Ми працюємо над наданням нашого контенту українською мовою через різні ініціативи.

Ми запустили подкасти на основі змісту наших освітніх ініціатив і зосереджені на основній допомозі людям з нервово-м'язовим хворобами. Ми прагнемо адаптувати контент до українських реалій на даний момент.

СЕРІЯ ПОДКАСТІВ

ONSITE TRAININGS

Classic and New Ones

6th Translational Summer school

- ▶ Co-organized with TREAT-NMD
- ▶ Leiden, Netherlands
- ▶ 9-12 July 2024
- ▶ Therapy development from bench to bedside with a focus on NMDs
- ▶ **Pre-registration: March 2024**

Multidisciplinary management of NMDs

- ▶ Co-organized with FILNEMUS
- ▶ Marseille, France
- ▶ **12-14 September 2024**
- ▶ Topics: Palliative care, rehabilitation, patient journey, nutrition, and extra-muscular involvement
- ▶ **Pre-registration: Probably in April 2024**

Future activities

- ▶ Organisation of thematic scientific symposiums such as the one organised back to back to this meeting
- ▶ One summer school per year besides the Leiden Summer school

Neuropathies and rehabilitation in Rome 2023;

Multidisciplinary management of NMD in Marseille 2024;

Suggestions and collaborations for next year are expected and welcome

MOBILITY PROGRAMME

- ▶ Similar to what was done in the past, but with budget limitations (possible creation of a mobility fund via non-conditional grants from industry ?)
- ▶ Terms and conditions are under development
- ▶ Plan:
 - ▶ Short stays addressed to trainees
 - ▶ Onsite training by an expert or group of experts
- ▶ The terms and conditions will soon be advertised on our website

Cross-ERN WG on Post-graduate curriculum

3 ERNS: EURO-NMD, ERN-RND, EpiCARE

Aim: Develop a model postgraduate “neuro” RD training curriculum

▶ **1 common module with 6 building blocks on transversal topics**

Neurogenetics

Multidisciplinary care & neurorehabilitation

Neuroimaging

Digital care & Telemedicine

Clinical research

Patient perspective

> aligned with the EAN core curriculum and the EPNS syllabus

▶ **1 specific module for each ERN diseases scope**

EURO-NMD Postgrad CV WG lead by **Marianne de Visser**
