

Limb girdle muscular dystrophy Masterclass Montreal, April 2025

Join us in Montreal for an exciting, **in-person educational masterclass** tailored to healthcare professionals involved in diagnosing and managing the care of patients living with Limb girdle muscular dystrophy (LGMD) and those that wish to enhance their expertise in this area.

Event Highlights

- Learn from globally recognised specialists about LGMD diagnosis, management and latest advancements in treatment
- Participate in interactive workshops
- Connect with peers and foster collaborations

Event Details

The LGMD Masterclass in Montreal is completely free to attend and TREAT-NMD will also contribute towards accommodation and travel costs to support your participation.

How to Apply

Spaces are limited and registration is required. Applications will be reviewed, and we will contact you. Please do not make travel or accommodation arrangements until your place is confirmed.
